

## “Turbota pro Litnih v Ukraini” Age Concern Ukraine

**Photo 1:** Chernigiv. Members inform the public about our mission and how citizens can protect their human rights. The slogan in the background says: "We are not magicians, but we can help."

**Photo 2:** Older women meet with a psychiatrist, one of our volunteers. The training session focuses on dealing with depression.

**Photo 3:** Crimea. The poster publicizes the Christmas meeting. We secure the biggest cinema theater and invite as many older people as we can. The meeting entertains everyone and also offers amateur art and displays other information.

**Photo 4:** Older persons gather in Crimea Hall.

**Photo 5:** Here is one of our consultation rooms. The poster in the background displays the same slogan, "We are not magicians, but we can help."
